Unit 2, Abbots Park, Monks Way, Preston Brook, Cheshire, WA7 3GH is authorised and regulated by the Financial Conduct Authority (FCA). Our Registration Number is 306626. We are also authorised by the FCA for Credit Broking where we act for a single lender. We are permitted to arrange, advise on, deal as an agent of insurers and clients and assist in claims handling. At present, we deal with a single insurer for new business and renewals, which you will be informed of during the sales process and in any contractual documents we provide you with. Freeway is not under a contractual obligation to conduct insurance distribution exclusively with this insurer. Our main taxi product, and any add-on products are sold on a non-advised basis, therefore you will not receive a personal recommendation. We will ask you some questions to narrow down your demands and needs. You will be provided with information on which to base your decision to purchase. You can request a list of insurers from whom we select. You can check these details on the FCA's Register by visiting the FCA's website <http://www.fca.org.uk/> or by contacting the FCA on 0800 [111 6768](http://www.fca.org.uk/).

2 Our call charges

UK local or national call charge dependent upon telephone provider, usually part of an inclusive minute's plan. Calls may be recorded for training and quality purposes.

3 Your duty of disclosure

Non-consumer customers: Where we arrange insurance wholly or mainly for purposes related to your trade, business or profession, you have a duty under The Insurance Act 2015 to make a fair presentation of the risk. This means that you (and/or your senior management and/or anyone acting on your authority) must disclose every material circumstance which you know or ought to know. Alternatively, you must disclose sufficient information which would allow the insurer the ability to make further enquiries for the purpose of revealing those material circumstances. You are expected to carry out a reasonable search in order to make a fair presentation of the risk and will be deemed to know what should reasonably have been revealed by the search for the risk you intend to insure.

Your duty of fair presentation applies at the start of the policy, at renewal and when any variation of the policy is arranged. If you fail to make a fair presentation, the insurer may refuse to pay your claim or reduce the settlement amount, apply different terms, charge an additional premium, or avoid your policy, depending on the circumstances.

4 Policy Acceptance

In agreeing to these Terms of Business you are confirming that you do not have any debt outstanding from a previous policy with Freeway, or that we have not cancelled, or declined cover due to non-disclosure.

In the event that you accept this policy and it is found that there is an outstanding debt or that we have previously cancelled or declined cover due to non-disclosure, then this policy will be cancelled and all charges will apply.

5 How to cancel

Please contact us immediately if you wish to cancel any insurance policy we have arranged for you. You may have a statutory right to cancel this policy within 14 days. Please refer to your policy summary or your policy document for further details. If you cancel within this period, you will receive a pro rata refund of premium from the insurer. Insurers are also entitled to make an administrative charge. We may keep an amount that reflects the administrative costs of arranging and cancelling the policy. If you wish to cancel your policy, you will need to call us on 01928 520 520. Subject to the cancellation terms of your policy, a refund of premium may be available. Details

of any applicable cancellation terms and charges will be found in your policy documents.

Our commission and/or fees are fully earned from the date insurance cover commences and may not be refundable in the event of cancellation, avoidance or early termination of a policy. Where a discount has been applied to your policy (other than under the Recommend a Friend scheme), in the event of policy cancellation we will also reclaim a pro-rata amount of the discount reflective of the time which is remaining on your policy at the point of cancellation. We may also keep an amount that reflects the administrative costs of arranging and cancelling the policy (see tariff of fees and charges Section 7). No return of premium is available following cancellation of Complete Cover policies where this has been added as a secondary cover to a taxi policy. RAC Breakdown can be cancelled within 14 days and a full refund given, providing no claims have been made. If outside the 14 days, a pro-rata cancellation of premium will be provided, providing no claims have been made under the policy. Cancellation of the primary policy will automatically terminate all secondary cover relating to the same vehicle or property.

If you wish to exercise your right to cancel your insurance policy, please send your request in writing to the above address or call us on 01928 520 520.

6 Protecting your information

All personal information about you will be treated as private and confidential (even when you are no longer a customer), except where the disclosure is made at your request or with your consent in relation to administering your insurance, and except where law requires us. Some or all of the information you supply to us in connection with your insurance proposal may be passed to DVLA, insurance and other companies for underwriting, claims, premium collection or debt recovery purposes. They will have access to shared claim databases and credit reference information. For taxi business, we may also validate your records with local authorities. Your data will be held in accordance with the General Data Protection Regulation (GDPR), under which you have a number of rights you can request such as: access to your data, portability, and erasure, please see our Privacy Policy using the link below for full details of all your rights and further details on our processing. To provide you with a quote, determine premium rates and assess the most appropriate payment options for you, Freeway will make checks on the electoral roll and other data through credit reference and fraud prevention agencies. The credit reference/fraud prevention agency may disclose that information, and the fact that a search was made, to its other customers for the purposes of assessing the risk of giving credit or granting insurance, to prevent fraud and to trace debtors. A record of the check will be held by the credit reference agency and will be visible to other organisations and in the case of a credit will be included in your credit score. If you choose to obtain quotes through a number of third parties, this may result in multiple searches being visible on your record with the credit reference agency.

7 How to claim

We have a dedicated claims line for Motor policies. To report a new incident, or discuss an ongoing incident, please contact us on 01928 520 520, and select the relevant option.

For all other claims please refer to your policy summary or your policy document if you need to notify a claim. You should contact the insurer direct as soon as possible using the contact details provided.

If a claim occurs and your vehicle is deemed a total loss, or we agree to pay a cash in lieu payment, if you have chosen to pay by Direct Debit, any outstanding balance to be paid to Premium Credit will be deducted from your claim settlement amount. If the balance that remains to be paid to Premium Credit is a higher amount than your claim settlement amount, any shortfall will be payable by you.

9 Our Remuneration

Prior to the conclusion of each insurance contract, or upon renewal, we will remind you of your right to be advised of the level of commission which we receive. You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your insurance business. When we sell you a policy the insurer pays us a percentage commission from the initial premium (see section 7 Fees and Charges). The amount we receive is also subject to claims performance, as we act as the agent of the insurer for claims. In addition to any commission earned on policies purchased through us, we also earn a commission on any policies that are paid for via Direct Debit from Premium Credit Limited.

10 Debt Recovery

If you are paying for your policy via Direct Debit, and are unable to keep up with your payments, any balance that is owed regarding this following the cancellation of your policy will become payable to us. You are agreeing by entering into this contract to adhere to the payments terms set by Freeway; If you fail to keep up with your premium

payments, any outstanding amount may be referred to our debt recovery agency. This will incur additional costs, plus VAT at the prevailing rate, to collect the debt and will be added to the debt. By accepting this policy, you agree that you will be legally liable to pay this surcharge to the debt recovery agency and that payment of the same can be enforced against you in court.

11 Premium Credit

We have an exclusive partner for any policies where you have chosen to pay via Direct Debit, Premium Credit Limited. Applications for credit will be passed to Premium Credit Ltd (PCL) who are required to meet responsibilities arising from the EU Consumer Credit Directive (CCD). In assessing your application, they will search the public information that a credit reference agency holds about you. The credit reference agency will add details of the search and your application to their record about you whether or not your application proceeds. This and other information about you may be used to make credit decisions about you and undertake checks for the prevention and detection of money laundering. If PCL are not able to provide credit facilities we will be unable to continue cover unless alternative payment arrangements are made.

12 Protecting your money

Prior to your premium being forwarded to the insurer, and for your protection, we either hold your money as an agent of the insurer (in which case your policy is treated as being paid for), or we hold it in a client bank account on trust for you.

We may transfer your money to another intermediary in some cases. However, your money will be protected at all times because of the requirements of FCA rules. We also reserve the right to retain interest earned on this account.

13 Insurer Security

The insurers we use are regulated and are required to have adequate capital resources. However, we cannot guarantee the solvency of any insurer we place business with. An insolvent insurer may be unable to pay claims or may be unable to pay them in full and you may have to pay a further premium to arrange for alternative insurance cover.
